Vorwort

Natursteinprodukte bestechen durch ihren individuellen und dennoch zeitlosen Charakter. Die Einzigartigkeit der Zusammensetzung, Maserung und Färbung machen den Reiz eines jeden Natursteines aus.

Seit der Gründung unserer Manufaktur im Jahre 1991 in China haben wir uns mit unseren Produkten und Dienstleistungen innerhalb weniger Jahre zum Full-Service-Anbieter mit internationalen Kontakten entwickelt.

Durch den Einsatz einzigartiger Rohmaterialien, moderner Maschinen und durch die Verwendung innovativer Bearbeitungsprozesse erfüllen wir schon heute höchste Ansprüche an Qualität, Design und Exklusivität.

Getreu nach unserer Philosophie "Connection, Service, Leading" haben wir uns seither den individuellen Wünschen und Bedürfnissen unserer Kunden verschrieben.

Eine Philosophie die wir leben – Ein Versprechen das wir halten.
